## **Float On**

With summer officially here, we can't think of anything better than a good old-fashioned Root Beer float. But, not just any ol' Root Beer will do...Crater Lake Soda has launched a new line of specialty homemade sodas, in addition to their premium Root Beer, which are now available in the Pacific Northwest and on tap at most McMenamins restaurants.

Root Beer, Orange Cream, Lemon Lime and Vanilla Cream are made with pure cane sugar and don't contain caffeine or foam-enhancing additives...Summer never tasted so good!
