## **GIVING BACK**

The **Oregon Brewers Festival** made a donation of \$10,301 to the **Oregon Commission for the Blind Foundation** with money raised at the **20th annual Oregon Brewers Festival** that took place at Tom McCall Waterfront Park July 27-30. The \$10,000 was a direct contribution from the festival; the additional \$301 was raised at the **Crater Lake Soda Co. Root Beer Garden** through donations from attendees.
